HOW TO FIND SOLTRONIX

DIRECTIONS

Soltronix is located at 21421 NW Jacobson Road Suite 700 Hillsboro, OR 97124

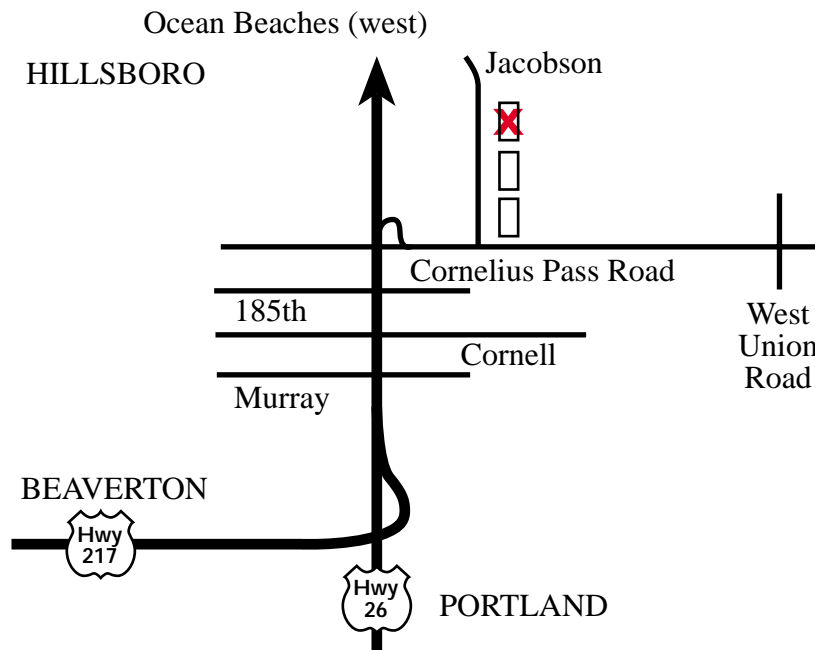

Flying into Portland

Take I-205 south to I-84 west. Follow signs for Beaverton as you pass through Portland to get to Hwy 26 west. Once on Hwy 26, you'll go through a tunnel and over a hill. Stay on 26 west until you come to the Cornelius Pass exit. Take that exit and follow additional directions below.

Familiar with the local area

Hwy 26 west from Portland/Beaverton, take the Cornelius Pass exit, move to the left hand lane of exit and turn left (north) onto Cornelius Pass Road, go approximately one half mile and turn left on Jacobson. Turn right in the first drive way of the complex. We are in the third building on your right. Soltronix sign is on front of the building.

We look forward to seeing you.
