Hillsboro, OR 97124

Dear Tim,

The team at Pixelworks greatly appreciated the technical prowess you provided to help us analyze and solve various technical issues at a critical time in our development process when we needed additional technical bandwidth. You joined the team, began contributing almost immediately and provided a fresh outlook and approach to the remaining obstacles to achieving our project objectives. We look forward to working with you again in the future.

Sincerely,

A handwritten signature in cursive script that reads "Les Decker".

Les Decker
Director, Systems Engineering
